

SERVICE LEVEL & MANAGEMENT AGREEMENT

BETWEEN: Alextzy Magayon), hereinafter referred to as the "Service Provider."

AND: Isshal, hereinafter referred to as the "Client."

1. SCOPE OF SERVICES

The Service Provider shall deliver a comprehensive, end-to-end online casino management solution, including:

- * Platform Deployment: Setup of a customizable casino platform on a custom domain with full Admin Backoffice access.

- * IT & Infrastructure: High-performance hosting, DDoS protection, and integration of Game Provider APIs.

- * Payment Integration: Technical "bridge" setup for GCash, Maya, and local bank processing.

- * Marketing & Growth: Recruitment and management of Master Agent networks and Influencer/KOL campaign oversight.

- * Operations: 24/7 Customer Support (CS) team, automated bot interactions, and a dedicated creative suite (Video/Graphic Design).

2. FINANCIAL TERMS

The Client agrees to the following investment structure:

- * Setup & Monthly Management Fee: 140,000 PHP per month.

- * IT & Infrastructure: 60,000 PHP

- * Management & Marketing: 80,000 PHP

- * Revenue Share: 25% of Net Gaming Revenue (NGR), calculated after the deduction of the monthly management fee and verified operating expenses.

- * Marketing Capital: Payments to Influencers/KOLs are to be provided by the Client as separate operating capital, managed by the Service Provider.

3. PAYMENT MILESTONES

To initiate the 15-day development timeline, the following schedule applies:

- * Initial Down Payment (50%): 70,000 PHP due upon signing this agreement.

- * Final Launch Balance (50%): 70,000 PHP due immediately upon the platform going live.

- * Recurring Billing: The monthly subscription is due on the 1st of each month following the launch.

4. CUSTODY OF FUNDS & TRANSPARENCY

- * Direct Flow: All player deposits move directly into the Client's controlled accounts (GCash/Maya/Bank). The Service Provider shall never hold or redirect Client funds.

- * Withdrawal Management: The Client maintains the "float" and is responsible for approving and settling player withdrawals via the Admin Dashboard.

- * Real-Time Oversight: The Client shall have 24/7 access to the backend to monitor NGR, deposits, and agent commissions.

5. OPERATIONAL TIMELINE

- * Phase 1 (Days 1–5): Server deployment, domain mapping, and UI customization.

- * Phase 2 (Days 6–10): Payment gateway API integration and Game Provider syncing.
- * Phase 3 (Days 11–15): Agent recruitment kickoff, influencer briefing, and official Go-Live.

6. CONFIDENTIALITY & LICENSING

The Client acknowledges that this is a management and technical service. The Service Provider is not responsible for the procurement of local gaming licenses (e.g., PAGCOR). Both parties agree to maintain strict confidentiality regarding platform architecture and business strategies.
